

2019 Iron Man Tournament

Fall Edition

*Whitetail Crossing Golf Club welcomes all golfers to the 2019 Iron Man Spring Edition Tournament. The tournament will commence the morning of **September 21st, 2019 at 10:00am** (shotgun start). Please show up between 8:30 -9:00 am. **Sign in will be required to receive gifts and starting hole designation.** Morning Coffee and Doughnuts are provided.*

Rules of Play:

- Teams must have a combined minimum handicap of 20 or they must play in the open division which is a combined handicap of less than 20.**
- The opposing team will keep and validate your score. The first round of scores must be handed in immediately to score table upon completion.**
- All balls to be played out with no “gimmes”. EVERYTHING IN THE HOLE.**
- Ball must be played from where it lies, unless stipulated on tourney day. Ground under repair will be marked.**
- No Mulligans with the exception of 1 per player that is purchased at the start of the round and redeemed to the opposing team. Once a mulligan is called to play it cannot be revoked due to a found ball.**
- GPS or distant reading with slope devices will be allowed.**
- All Ladies and Men turning 60 within 2019 calendar year, will play one tee forward of others on each round.**
- For speed of the game do not spend more than three minutes looking for lost balls. Play a provisional if your ball location is unknown and call your ball description. “THE FESCUE IS IN PLAY” (No carts allowed in fescue).**
- Other than the stipulated above rules, CPGA rules will apply.**

-Both balls in the scramble format on the back nine may lift and drop within a club length of the original shot. No closer to the hole or removed from a hazard. The nature of the hazard must remain the same, ie: if you are in water you must remain in the water and penalize accordingly, regardless of the hazard line location.

Round One (First Nine) Will begin at 10:00 am sharp once you are at your hole

The first round of nine holes will be scored on a best score per team, per hole, from the blue tees for the regular division and the open division, (over 60 and ladies one tee forward). You will play this entire round on the front or back nine depending where you start, ie if you start on a front nine hole, you will play all the front nine. After the first round is played, the teams will be tiered into three groups plus the open category, and starting holes re-designated. Tie scores for the first round will be decided by countback on the scorecard starting at the 18th or 9th hole, depending which 9 holes you played your round on.

*After the first round, a lunch will be served in the club house while scores are tallied. **Please submit all totaled cards as soon as you enter and wait for score validation and keep only one score on the card and please be neat.***

Round Two

At approximately 1:15 pm teams will be given new starting holes from the score table for their next round of 18 holes.

The **front nine** will be played from the blue tees for regular division and Gold tees for the open division, (over 60 and ladies one tee forward). It will be alternate shot format. The tee shot will be alternated between partners for each hole and each additional shot on that hole will be alternated between partners. One player will start on all odd holes and the other will tee off on the even holes. Only one ball will be played by both players from where it lies.

The **back nine** will be played from the gold tees for regular division and black tees for the open division,(over 60 and ladies one tee forward). These nine holes will be played in a best shot (scramble) format. For speed of play go directly to the best ball. Both players balls may be picked, cleaned and dropped within a club length of the original ball no closer to the hole & not to be removed from a hazard.

The scores from all three nines will determine a team's final score. Ties will be decided in a count back from the 18th hole for all players. Cash and golf prizes will be awarded for placement in all four tiers. Prizes will increase in value in the higher tiers. As well, prizes will be awarded for long drives, long putts, and closest to the pin. The day will conclude with another beautiful Meal.

Rules and prizing may be adjusted and will be confirmed on site. All decisions by the ruling committee for unspecified items will be final.

If a call is in question, play the ball out keeping both scores and the ruling committee will decide the score.

Hole #3 and #10 for the first nine will be closest to the pin in 2 shots.

Hole #8 Will be a hole in one prize of a new club car and #16 in the last round will be for \$5,000 hole in one prize. On hole #8 both players can play for the hole in one but the actual ball that is being played for the alternate shot must be indicated.

Hole #18 will be for the long drive in the final round.

Hole #12 will be for the longest putt in the final round.

#14 KP

All proximity prize winners will get first choice of the prize table.

\$10 Mulligans will enter you for all draw and proximity prizes. Only 1 mulligan can be purchased per player.

Abnormal Ground Conditions: *Wherever practical, areas of ground under repair will be marked with white paint, or defined by posts and ropes. Proceed under Rule 3-3 and report to the Committee before signing the scorecard. **If there is doubt about interference by abnormal ground conditions, the competitor may play a second ball under Rule 3-3.***

We will also let ball bumping on totally dead patches. Please go no closer to the hole and make sure your opponent is aware and in agreement!
